REPORT OF THEFT ON PANAMA REGISTERED FREIGHTER 'MV PANDURATA' AT SEA OFF DUMAI, INDONESIA ON 25 MAR 2013.

On 1 Apr 2013 at 4.22 pm, NMSC reported that a Panama registered Freighter 'MV Pandurata' was attacked by robbers while at Dumai, Indonesia. Vessel arrived in Singapore on the 1 April 2013 at about 3.00 am.

- 2 It was reported that on 25 Mar 2013 at 1.30 am, five robbers armed with parangs and firearms had boarded the vessel.
- 3 Three of the vessel crews were held hostage and brought to the accommodation rooms. One of crews was then told to lead the subjects to the engine room's store where another crew in the engine room were also taken hostage.
- 4 The subjects forced open the store room and took some vessel's spare parts. They eventually left on a speed boat with the stolen items heading to unknown direction. One of the crews then raised the alarm after the subjects had left the vessel. None of them were harmed during the incident. The incident was not reported to the Indonesia authority.
- 5 Checks were conducted by the PCG and ICA/AST boarding team.

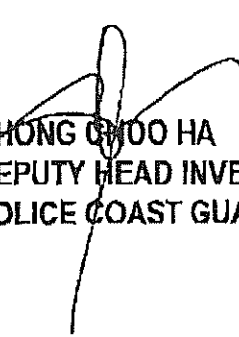

6 The following information was gathered:

a) Description of attackers

- i) Physical appearance - Unknown
- ii) Nationality - Believe to be Indonesian
- iii) Language spoken - Unknown
- iv) No. of pirates involved - Five

b) Brief description of how the attack took place :
